**Big Ideas:**
- Water is all around us.
- Living things need water.

**Small Moments:**
- We are powerful.
- We need each other.
A Key to Using The Summer Calendar:

This calendar aligns with a typical Monday starts the week because children typically think of a “week” as a “when they go to school.”

**Big Ideas:** Concepts that give context to skills.

**Small Moments:** Ideas that strengthen children’s social-emotional development.

The weekly activities that address Math, Reading, Writing, Art, and Science are organized around the suggested Read With Me book.

**Talk About It Tuesday:**
Questions that frame problem-solving conversations.

**Great Words Wednesday:**
Words related to the Big Ideas and Small Moments.

---

**The Rainbow Fish**
Marcus Pfister
A brave fish learns that there is more to be gained by sharing his special qualities than by keeping them all to himself.

**Swimmy**
Leo Lionni
Swimmy shows his friends how— with ingenuity and teamwork that they can overcome any danger.

**Hello Ocean**
Pam Muñoz Ryan
The inspiration of the ocean will make learning the five senses as easy as a day at the beach.

**Water**
Melissa Stewart
This non-fiction text uses vivid photography to introduce the science of water.
