### BPS RESIDENCY POLICY

Before any student may register for a Boston Public School, the student's parent/guardian must prove legal, primary residence in the City of Boston via the Residency documents outlined above. These documents, together with a photo ID, are also required for any change of address.

*This residency policy does not apply to homeless students.*

Residency fraud is a violation of Massachusetts state law and is subject to per diem fines for every day that a student attends school outside the district in which s/he legally resides.
